

Your eligibility readiness report

Digital technology | Exceptional promise | 2 October 2026

Readiness score: 67/100

Your evidence pack needs more preparation. This report uses your own answers; your documents have not been reviewed.

Your next steps

Three qualified recommendations: identify established experts who have known your work for at least 12 months. Prepare tailored letters with distinct examples of your contribution.

CV and distinct supporting documents: organise your evidence around the route criteria. Confirm document limits and avoid using the same evidence twice.

Grace's verdict
